2 RESEARCH PROPOSAL

This section of the Expression of Interest will be assessed by the members of the Cancer Research Expert Evaluation Panel. When answering this section, please note that while all assessors are cancer researchers, they may not have specific expertise in your area of research.

2.1 Plain Language Summary (250 word limit)

Provide a summary of the proposed program of research, including

- an explanation of the type of cancer you are investigating and its impact,
- aims, significance and purpose of the research,
- how you will do the research; and
- what the benefits of the research will be for Western Australians.

2.1 Research details *(max. 2 A4 pages)*

- Rationale/justification/hypotheses
- Research objectives
- Research methodology and design
- Anticipated outcomes
- Opportunities for translational gain

2.2 Innovation *(max. half A4 page)*

- What is innovative about the research?
- Include an explanation on how the research will address a current gap in cancer and the new evidence it will provide.

2.3 Research Team: institutions, titles, first names, last names and email addresses of Principal Investigators (PI/s) and Associate Investigators (AIs)

Note:

- **Principal Investigators (PI)** - researchers who lead and make a substantial and essential contribution to the project as theme/project leaders. PIs will be based at a WA research institution for at least 75% of each year for the entire grant period.
- **Associate Investigators (AI)** – researchers who contribute in a meaningful manner to the research, including by carrying out parts of the program and/or by providing essential expertise and/or resources.

NB: Please provide an indicative time commitment (%FTE) to the research program for all investigators.

2.4 Collaborative Inter-Institutional Arrangements (*max. half A4 page*)

Provide a brief description of the collaborative inter-institutional arrangements that would arise from FHRI Fund and CRT funding; please indicate if a Memorandum of Understanding relating to such arrangements, or similar, is already in place or provide timeline for when such an MoU might be in place.
